## Avatar Meher Baba Ki Jai!

We are very much looking forward to spending time together in Baba's love.  
Below, we would like to provide you with some information about our Sahavas.

**Saturday, August 29, 2026 > Starts at 11:00 AM – open-ended**

**Sunday, August 30, 2026 > from 9:30 AM – 4:00 PM**

**Outdoor event, limited to 30 adults + children**

### About the program:

This weekend is all about coming together as a community.

There will be opportunities to pray together, sing, and dance, play, and laugh to your heart's content. There will be no lectures or presentations. The day will be structured around meals.

All the time between meals is yours to use as you wish.

### About the activities:

If the weather is nice, there are plenty of ways to hang out, chat, or do things together. For both older and younger kids, there's a pool, a swing, a trampoline, a ping-pong table (weather permitting), and a dartboard.

If it rains, we'll huddle together and make the best of it, just as Baba would want us to.

Throughout the weekend, there will be opportunities to retreat and watch various films by Baba, including new and unreleased versions.

There will be an area for all children to draw, do puzzles, and play.

There is a pool in the garden that you are welcome to use.

Beautiful walking trails are available close by.

There are also rabbits and chickens that you are welcome to visit.

The host family also has two small dogs (Boston Terriers like Kippy).

**If there are any fears or allergies regarding this, please let us know in advance.**

The responsibility for supervising the children remains with their parents and is not assumed by the organizer.

In the evenings, there will be an opportunity to sit around a campfire.

A tent will be provided for meals, offering protection from both sun and rain. There is also an outdoor space that is suitable for singing, praying, and dancing, or simply sharing thoughts and telling stories. This space will have some seating available on benches. Those who are able and wish to do so are welcome to sit on the floor or bring their own floor cushions.

### About the meals:

The food is vegetarian and organic.

**If you have any food intolerances or allergies, please let's talk after you register.**

We are very happy to have this catering team on board for our Sahavas.

Cuisine made with love from sustainable crops. All ingredients are organic and come from carefully selected, sustainable farms.

Fruit and snacks will be available for a quick bite between meals.

Water, a small selection of juices, and the option to make tea and coffee will be provided. If you'd like other beverages, please bring your own.

### Accommodations:

We'd be happy to send you a list of guesthouses and hotels in the immediate area.

There are just a few lodging options in the village itself.

We would be happy to reserve these walkable accommodations for those arriving by public transport.

Once you booked a guesthouse or hotel, please let us know. This way, we can arrange carpooling if necessary.

### Getting there:

The Sahavas takes place in a village of 2,200 residents, one hour's drive south of Stuttgart.

The nearest train station is in Bisingen (ZIP 72406).

There is a bus connection from Bisingen.

If possible, we'd be happy to arrange a pickup.

The nearest, slightly larger train stations are Hechingen (ZIP 72379) and Balingen (ZIP 72336).

If you plan to arrive on Friday, we can offer you dinner on Friday as well as an additional breakfast on Saturday.

Please note this on the registration form.

The Sahavas ends on Sunday at 4:00 PM, leaving enough time for the return trip.

### About costs:
